April 6-8, 2025

Bismarck Hotel & Conference Center

Welcome

To the 2025 ND FCCLA State Leadership Conference

Welcome to the 79th Annual North Dakota FCCLA State Leadership Conference! It is with great excitement and pride that I welcome each of you to this incredible event where we come together to celebrate leadership, service, and the limitless potential of our student members.

This year's national theme, "Dare to Dream," encourages us to break boundaries, set bold goals, and imagine a future full of possibilities. As leaders in Family, Career and Community Leaders of America, you are already daring to dream—by stepping into leadership roles, tackling meaningful projects, and striving to make a difference in your schools and communities.

Throughout this conference, I encourage you to take full advantage of the opportunities before you. Participate in competitive events, connect with fellow members from across the state, learn from dynamic workshops and speakers, and celebrate the achievements that have brought you to this moment.

Your dreams—whether they're personal, academic, or career-related—begin with courage, commitment, and vision. FCCLA provides the platform and support to turn those dreams into reality. As we gather here in the spirit of growth and inspiration, remember: the most extraordinary journeys often begin with a single, daring dream.

Thank you to our advisers, volunteers, and supporters who continue to invest in the next generation of leaders. Your dedication makes this conference—and the entire FCCLA experience—truly impactful.

I look forward to an unforgettable conference and can't wait to see how each of you will Dare to Dream and shape a bright future through FCCLA.

With FCCLA pride,

ND FCCLA State Adviser

Conference Registration

Sunday, April 6th | 2:00PM - 4:00PM

Conference Headquarters | Courtyard Room 1258

Bismarck Hotel & Conference Center

The chapter adviser or an assigned adult chaperon need to pick up the registration packet, check in and complete conference registration.

LEADER'S MEETING GUIDE

MEETINGS NAME BADGES received at registration must be worn when attending all conference sessions.

ANNOUNCEMENTS Only announcements that apply to the entire delegation will be made at general sessions. Chapter announcements must be made at the designated chapter meetings.

AND REMEMBER Meeting attendees may not purchase, possess, consume or be under the influence of illegal drugs, tobacco or alcohol at any time. Violators will be subject to stringent disciplinary action. Be considerate of sleeping hours and the privacy of other hotel guests and FCCLA members. Please follow the curfews as outlined in the program. The adviser in charge of the chapter is responsible for the behavior and safety of the members. Inappropriate behavior may result in delegates being sent home at their own expense. Please be considerate of all hotel guests when using the elevators and facilities. Check your room carefully before departure. Please clean your room of all excess garbage. Be sure all personal belongings have been removed.

ELEVATOR, STAIRWAYS AND HALL ETIQUETTE Students should be courteous to others in hotel elevators, stairways and halls. Keep voices at low levels. Let people exit elevators before entering. Do not fill the elevators beyond posted capacities.

TRAVEL SAFETY TIPS Never travel alone, stay with groups and walk in public, well-lit areas. An adult must accompany all groups outside the hotel. There is to be no leaving the hotel after dark. Do not walk down back streets, alleys, or in secluded areas at any time. Remove name badges when outside the hotels and meeting facilities. Never give your room number to anyone you do not know.

ELECTRONIC DEVICE USE The activities of our ND FCCLA state conference are considered to be a school function. Cell phones and other electronic devices are not to be used for texting, playing games, etc., during meeting sessions and workshops. Please silence, place on vibrate, or turn your devices off during these times. Electronic devices can be used appropriately between sessions and during free time. In order for the conference to run smoothly, it may be necessary for the state officers and advisers to use electronic devices to communicate between the front and the back of the room. Advisers, please consider adopting a state meeting electronic device policy with your students to include confiscation of the devices during meetings and sessions. We have worked hard to put together the best program possible. Please be respectful.

Thank you! The 2024-2025 ND FCCLA State Officer Team
